

### About

Eran Tibi brings his laid back vibe of Eastern Mediterranean food to Soho. An all-day, all night offering with a luxurious outdoor terrace, debaucherous soundtrack and subterranean private dining.

Over two floors, Kapara is a stylistic Soho restaurant dedicated to indulgent eating & drinking. Our events are completely customisable within all of our spaces, from an intimate dinner reception to a loud and proud celebration, we have you covered.

Join us for a spectrum of Eastern Mediterranean flavours, wines and cocktails in the heart of central Soho, tucked away within a private courtyard oasis.

#### Menu

Our menu is inspired by Eran Tibi's life – a fantastical fusion of Tunisian, Syrian and Greek cuisine that spans a spectrum of Eastern Mediterranean flavours. Kapara's dishes are classic yet creative in concept, laced with love, and designed to be devoured with delight to a debaucherous soundtrack.

Personally created and developed by Chef Founder Eran Tibi, who takes inspiration from his mother's Syrian home cooking and generations of baking expertise, the menu focuses on the enjoyment of fresh, sustainably sourced ingredients.

The drinks programme includes an award-winning selection of wines and a special "Gazoz" menu infusing soda, botanical herbs and fresh exotic fruits

#### Full Hire

We love to brag about our limitless feasting escapades, so come eat your bodyweight in hummus, drink our Mediterranean inspired cocktails and dance the night away with all your friends – that's right... We can host up to 200 people across our indoor and outdoor spaces!

For the full Kapara experience, full exclusive hire for up to 200 people includes use of our ground floor restaurant, terrace and basement. Read on for more details on each of our luxurious spaces...

# Restaurant – Full Hire

Our beautiful ground floor restaurant is available for full private hire for 100 people indoors and 50 people outdoors (150 people total across the whole space).

#### Restaurant – Terrace

Our beautiful terrace is available for full private hire for up to 50 people should you be looking for an alfresco affair.

Fully enclosed on James Court, the terrace is fully covered and heated, with generous planting and mood lighting to make the space a luscious sensory experience year-round.

#### Basement

Our basement level space encompasses a luxurious dining room and six-seater chef's countertop, all of which can be transformed into a seated private dining area for up to 30 people, complete with a personal 'serve yourself' bar, a full PA system and multiple bespoke entertainment options.

Inspired by Founder Eran's Grandad's 'Naughty Corner' as a child, the subterranean space is a destination in its own right, also transforming into a chef's table dining experience at the pass for maximum intimacy and a unique look inside the workings of a top class kitchen.

# Restaurant – Backstage

On the ground floor restaurant, our rear seating area can be hired from groups of up to 24 people. Green marble table tops, comfy pink leather booths, luscious planting, brass accents and rich textures provide a truly sensory experience which perfectly compliments the menu of elevated Eastern Mediterranean-inspired dishes.

# Restaurant – Stage

Our raised stage area can be hired with seating for 16 people, or as a performance space including the immediately surrounding seating. Live music and performances are most welcome (encouraged!).
